Unison Chalice Lighting	Laurie Garland	

*May we light this chalice this morning to remind us of
The power and beauty of balance and contrast.
It is darkness that can make the flame of a single candle so powerful
And light that deepens those shadows in turn.
A chalice flame is the meeting point,
The union of the refuge, safety, and incredible beauty of darkness,
And the warmth, the assurance, and the joy of light.

Covenant	Laurie Garland
----------	----------------

*Love is the doctrine of this church.
The quest of truth is its sacrament, and service is its prayer.
To dwell together in peace, to seek knowledge in freedom,
to serve humanity in fellowship,
To the end that all souls shall grow in harmony with the Divine,
Thus, do we covenant with each other and with God.*
